1. The Lord is my shepherd I shall not want
I have everything that I need
Near to pastures green, by the cooling stream
Here He will revive my drooping spirit

3. A banquet so fine He prepares for me
Where my enemies all can see
Holy oil to spread and anoint my head
And my cup He fills to overflowing

Chorus

My Lord
Lord (Oh my Lord) be my shepherd
Let me be your sheep.

2. My footsteps He guides on the right path
As He promises to all men
Even when I trail
Through the darkest vale
With His crook and staff, He gives me comfort

4. His goodness and kindness shall follow me
And be with me, all my days
In His house divine, till the end of time
I will honour Him forever more
My Lord (my Lord)
My Lord (my Lord)
My Lord (my Lord)
My Lord (my Lord)
